Counselor's Corner

by: Brandi Olsovsky

Nominations are now being accepted for Nordheim ISD's Gifted and Talented Program. This program is designed for students who exhibit intellectual and creative thinking abilities at an extraordinary level not normally served in the regular classroom. Anyone wishing to refer a student attending Nordheim ISD in kindergarten through twelfth grade this school year is asked to go by the campus office and request a copy of the referral form. Nominations are due by December 16, 2015.

December STAAR EOC retesting will occur December 7 through December 11. Students are required to pass all EOC's in order to graduate. Students taking the tests have been notified via mail. If your child is testing, please ensure they receive a healthy breakfast, are rested, and are at school on time.

I have begun working with elementary classes on how to be a friend. Throughout the school year, students will participate in lessons about building strong character and being good citizens. Junior high and high school students will continue to discuss post-secondary plans and career awareness.
