Music Note

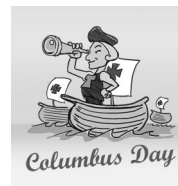

The Nordheim High School Pirate Band is off to a good start as this year's 8th graders begin to incorporate with the group. When the graduates leave it always takes effort from everyone to fill their empty shoes.

Speaking of shoes, all band students from 6th grade through 12th grade need to start bringing in their solid white crew socks to wear with their uniforms this year. By October 5th, at the latest, they need to be marked for ID and placed with their uniforms ready for performance. No ankle socks please. All socks need to reach above the ankles for a professional look whether the student is seated or marching. HS School Band parents if you haven't done so, yet, please mark those calendars for the Western Days Parade in Yorktown, Sat., October 17th. Attendance, as always, is mandatory. All the students are important for the band's success and to uphold our continuing tradition of representing our school and community in Yorktown for 58 years. Go Pirate Band!
