Financial Literacy

The First National Bank of Beeville – Yorktown Branch visited campus on Wednesday, February 20, 2019 to provide a presentation regarding financial planning. Martha Garcia, Vice President and Crystal Hurta, Loan Associate represented the bank. All high school students participated in the event. The presentation included opening savings accounts, checking accounts, loan requirements, credit reports, interest rates and identity theft. In addition, the bank left many extras for all students

including cell phone chargers, frisbies, piggy banks, cups, pens, etc. A big “thank you” to the 1st National Bank of Beeville for helping educate our youth for their financial future!

Career Day

On Thursday, February 21, 2019, Nordheim ISD hosted a Career Fair for Career Day in the NISD auditorium. Employees from the Texas Zoo in Victoria, Texas opened with a host of questions as to how and which science, math or other school subject pertains to all the careers that are

generated from working with animals. Students were then able to view and handle a cockatiel, turtle, ferret and even a snake. Following the presentation from the Texas Zoo, Staff Sargent McPherson from the Army National Guard explained the financial and rewarding benefits that the military offers for those interested in pursuing a career in the military and furthering their education. Dr. Rose Funke, owner of Runge Veterinarian Clinic in Runge, Texas later explained the importance of never giving up to pursue

your dreams, the love and importance of family, and not to mention the passion for caring for animals. Connie Smart, former graduate of NISD closed the event with an explanation of her career and how she became a self-employed CPA and the high school and college education that she needed to accomplish her goals. After the event, students were able to pick and choose from many “give-aways” all guests provided. A big “thank you” goes out to all the guests that made NISD Career Day a success!
