Superintendent Wilson presented the SB 546, 3-point seat belts on all buses by September 1, 2029. Currently we have 4 buses. 2 buses have 3-point seat belts and 2 do not have any seat belts. To retrofit the buses, it would cost \$5,000 a seat. With the age of the buses, it would be best to replace and start planning on how we will be able to purchase new buses.
